- VESA Mounting

## VLED19PD / VLED22PD

19.5" / 21.5" LED Backlit Screen

The VLED PD range are high resolution LED monitors housed in robust plastic cases. Each unit boasts a contemporary, slim line design including discreet side mounted controls, and has been specially designed to operate 24 hours a day.

To conserve workspace, the monitor can be easily wall mounted using industry standard VESA mounting equipment.
